- Executive Coaching/Mentoring
- Recruitment
- Organisational Development
- Counselling
- Management & Leadership Development
- Performance Management
- HR Consulting
- Psychology — Corporate & Clinical 33

Facilitator

Martyn Newman, Ph.D., D.Psych. is a counselling and corporate psychologist and Director of Rochemartin Pty. He has an international reputation as an expert on EQ and is official EQ-i trainer to Melbourne Business School. He is a member of the British and Australian Psychological Societies, a member of the Society for Personality Assessment and an accredited trainer for the BarOn EQ-i® and EQ-360 and regularly presents his work on psychological assessment at international conferences. Dr Newman was a member of the EQ-360 review panel.

Rochemartin invites you to attend our Emotional Intelligence Certification workshops to learn how to make optimal use of the BarOn Emotional Quotient Inventory (EQ-i)® and EQ-360 - the first scientifically validated measure of emotional intelligence based on 20 years of research by Dr Reuven Bar-On and tested on over 100,000 individuals worldwide. The EQ-i & EQ-360 are exceptional tools in a range of contexts, including the corporate environment where developing effective communication between individuals, teams and the entire organisation is crucial to success.

"The Emotional Intelligence workshop was delivered with all the skill and expertise you would expect from someone of Dr Martyn Newman's reputation in this field. The EQ-i® and EQ-360 instruments will be significantly important in raising the quality of leadership in Irish companies."

Dr Jim Urquhart

Head of Graduate School of Business
Dublin Institute of Technology

"The three days training by Dr Martyn Newman on The BarOn EQ-i®, is among the best I have ever attended. His clarity of thought, depth of knowledge, wide experience, excellent communication skills and above all compassion, left me feeling grateful and privileged to have had the opportunity to avail of the training he provides."

Ciara Murray

Senior Psychologist
